Breed	Order Quantity
Broad Breasted White: $10.99 Like those raised by commercial breeders, these birds offer a fast growth rate and good feed conversion.	
Orlopp Mammoth Bronze: $12.99 These are colorful birds with high meat quality due to their natural fat layering.	

Please Note: *We work with our suppliers to try to provide accurate delivery dates. These are live animals; there are many factors outside of our control that can affect hatch rates/delivery dates. We will keep you updated on any changes to your expected delivery. We will always call as soon as chicks arrive.*
