TIMES: The Show Hall will open to exhibitors at 8:00 AM to prepare set up. Judging will begin promptly at 9:00 AM.

FOOD: A concession stand will be open to provide coffee, donuts, hamburgers, hot dogs, sandwiches, etc; you are more than welcome to bring your own food!

ENTRY CHANGES: You may add 2 additional horses the morning of the show until 9:00 AM so long as you are not over your limits. You should enter all horses you expect to bring even if you decide to scratch them at the last minute. Those using the Region X tags, please register your horses on the website <https://regionxnation.com> and bring an updated list of models with you the day of the show.

RESULTS: Results will be posted on the Region X Yahoo group site. If you would rather have the results mailed to you, please bring along a self-addressed stamped envelope and drop it off at the registration table the morning of the show.

VENDORS: Space is limited; please call ahead to reserve your space. Cost is \$10/space with your table; \$20/space with table provided by Guy's Farm and Yard. **No current line Breyer Model horses, please.**

LIMITS: The same horses and tack may not be used by two different showers regardless of the division they are showing in.

HALTER CLASSES: Halters are not required, but are allowed. No props of any kind may be used except when showing chinas, where a piece of protective material may be placed under the model. In that instance, the judge reserves the right to have the owner turn the model over to check the other side. If you are showing an unusual breed of horse, you may provide no more than one 8.5"x 11" inch sheet of paper for documentation. Three (3) horses per exhibitor in halter classes.

PERFORMANCE CLASSES: Appropriate tack and props are required, use of dolls is optional. A note explaining your entry is required in all performance classes, except pleasure classes. Two (2) horses per exhibitor in performance classes.

BREED & GENDER DESIGNATION: Please be sure to list the breed of your model on the registration form. Ponies, Drafts, and Warmbloods **must** have an actual breed noted (i.e. Shetland, Clydesdale, Oldenburg). If you are showing an unusual breed, please feel free to provide a description of the breed (a photo is also helpful). This should be no larger than 8.5"x 11". Please also note if the horse is a stallion, gelding, mare, colt or filly.

ORIGINAL FINISH (OF): For this show it is to be understood to be the original finish model straight out of the packaging. Any mass produced or single produced factory model will fall into this category. Examples are Breyer, Stone, Hartland, etc. Models such as this with tack or props added for a class is still considered OF.

CUSTOMIZED (CM) or ARTIST RESIN (AR): For this show it is to be understood to be any type of model where anything was changed from the original or was not a factory horse. For example, a model horse that has a blaze added or been fully remodeled/painted is considered custom (CM). Novices must have completed their customized models by themselves.

TIME LIMITS: Three minutes between halter classes and approximately 5 minutes between performance classes at the judges' discretion. While ring 1 is being judged ring 2 will be setting up and vice-versa. In an effort to make the day move this will be strictly enforced.

TAGS: This show participates in the Region X Tag system. If you do not already have a Region X number and would like one, please sign up on the Region X website <http://regionxnation.com> Please be sure to register your horses prior to the show on the same website. Be sure to print off your show horse list and provide it to the show secretary Sunday AM. **All showers are encouraged to join the Region X Tag system. This allows for easy record keeping for both those showing, and those managing the show.**

Orlov Trotters, Finnhorses, Irish Draught, American, Canadian, Morgan Sport Horses, and Appaloosa Sport Horses also make up the Other Sport Horse division. Coaching breeds include the Friesian, Yorkshire Coach Horse, Cleveland Bay, and Dutch Tuigpaard.

OTHER PUREBRED and PARTBRED: Any pure breed that does not fit into any of the listed breed categories, such as American Bashkir Curly, Maremmana, Kathiawari, etc. Cross-bred horses that do not fit in any other category listed, as well as horses without a pedigree.

PAINT vs. PINTO: Paint refers to the breed. They are of Thoroughbred or Quarter Horse breeding. Other pinto-colored horses should be entered in their appropriate breed class, whether it be a pony, gaited breed, etc. This also applies to appaloosa/spotted horses. They may not actually be an Appaloosa just because it has spots, as in breeds such as the Colorado Ranger, Knabstrup, and Noriker-Pinzgauer. Please place these in the appropriate classes as well.

Please be specific when listing your horses breed. The judge needs to have a specific breed when judging the breed classes, as one breed of pony has different characteristics than that of another pony. It is advised to provide references and photos when showing uncommon breeds. Not only does it help educate the judge to make just pinnings, but also helps to educate fellow showers.
