<b>Conventional Cornish Cross White Broiler - \$1.49</b> These are a fast growing, high quality meat bird. Bred for production, this Cornish cross has excellent confirmation; plump, tender breast meat; and good skin texture. This bird has an excellent feed conversion rate. Fryers at 5 weeks, roasters at 8-10 weeks.	# Ordered: _____
<b>Imperial Broilers - \$1.49</b> These are high quality red or grey broilers. They are not as broad breasted as the conventional, but have larger thigh and drumstick portions. Imperial broilers are known for their texture meat and gourmet flavor. They grow at a moderate rate, can be processed as early as 9 weeks or as late as 12 weeks of age.	# Ordered: _____

***\*Please note:** we work as closely as we can with our hatcheries to provide accurate delivery dates. Please remember, these are live animals and many things can affect both hatch rate and transportation/delivery. We will always keep you up to date on any potential changes, and will call as soon as the birds arrive.*
