*\*Please Note: We work with the hatcheries the best we can to establish dates for pick-up. Please keep in mind that these are live animals and we cannot always control when they will hatch, or arrive. We will always call you to let you know if your birds are here, and also to update you on potential changes. Please also be aware the hatchery provides us with a 90% rate of accuracy regarding the sex of your laying birds. Thank you for your understanding.*

Disclaimer: Rare and unique breeds can vary in availability. Guy's Farm and Yard and the Hatcheries that we work with reserve the right to substitute these breeds should there be availability issues. We will always substitute with the closest available breed.
