<p>Conventional Cornish Cross White Broiler - \$1.99 These are a fast-growing, high-quality meat bird. Bred for production, this Cornish cross has excellent confirmation; plump, tender breast meat; and good skin texture. This bird has an excellent feed conversion rate. Fryers at 5 weeks, roasters at 8-10 weeks.</p>	# Ordered:
<p>Imperial Broilers - \$1.99 These are high quality red or grey broilers. They are not as broad-breasted as the conventional, but have larger thigh and drumstick portions. Imperial broilers are known for their texture meat and gourmet flavor. They grow at a moderate rate, can be processed as early as 9 weeks or as late as 12 weeks of age.</p>	# Ordered:

**Please note: we work as closely as we can with our hatcheries to provide accurate delivery dates. Please remember, these are live animals and many things can affect both hatch rate and transportation/delivery. We will always keep you up to date on any potential changes, and will call as soon as the birds arrive.*

Chicks will be hatching Mondays, Tuesdays, and Wednesdays. We will call you when we receive a firm delivery date for each week's delivery.
