Please keep in mind that these are live animals and we cannot always control when they will hatch, or arrive. We will always call you to let you know if your birds are here, and also to update you on potential changes.*

****In an effort to avoid supply issues we have committed to quantities for each date with the Hatchery. Therefore, it is possible that we may sell out of our allotment. We suggest that you order early to ensure that you will receive the quantity that you would like.**
