Name: _____ Date: _____

E-mail address: _____

Day Phone: _____ Evening Phone: _____

CUCKOO MARAN: This breed is a large bird that has good egg production. They thrive in situations where they can forage. Marans are most well known for laying dark chocolate brown eggs. \$5.99 each	# Ordered:
SILVER LACED WYANDOTTE: Wyandottes are extremely cold tolerant and do well both in confinement, as well as in free range situations. These birds are good brown egg layers and are generally docile and friendly \$5.99 each	# Ordered:
LIGHT BRAHMA: These birds are large and have fluffy feathering that runs all the way down to their toes. They are reliable layers in all season, and very cold tolerant. They generally have a calm demeanoer, but can be broody. \$5.99 each	# Ordered:

**Please Note: We work with the hatcheries the best we can to establish dates for pick-up. Please keep in mind that these are live animals and we cannot always control when they will hatch, or arrive. We will always call you to let you know if your birds are here, and also to update you on potential changes. Please also be aware the hatchery provides us with a 90% rate of accuracy regarding the sex of your laying birds. Thank you for your understanding.*
