Conventional Cornish Cross White Broiler - \$2.39

These are a fast growing, high quality meat bird. Bred for production, this Cornish cross has excellent confirmation; plump, tender breast meat; and good skin texture. This bird has an excellent feed conversion rate. Fryers at 5 weeks, roasters at 8-10 weeks.

Ordered:

Imperial Broiler

Please Note: In discussions with various Hatcheries, Imperial/Red Broiler flocks have been reduced throughout the country. Due to; predicted shortages and limited availability, we have decided not to offer Imperial/Red Broilers this Chick Season. If you are interested in 100 or more Imperial/Red Broilers feel free to inquire and we *may* be able to accommodate based on timing and availability. We apologize for the inconvenience.

***Please note:** we work as closely as we can with our hatcheries to provide accurate delivery dates. Please remember, these are live animals and many things can affect both hatch rate and transportation/delivery. We will always keep you up to date on any potential changes, and will call as soon as the birds arrive.

Chicks will be hatching Mondays, Tuesdays, and Wednesdays.
